If the asterisk represented your listing, which map would you prefer?
Which map would you use to market the property on the internet?

If you were the serious buyer, which map would YOU rather see?

When you buy a SUBMARKET ANALYST GIS map/data set:
You get several demographic maps from the 1990 and 2000 census!

in small scale (above), large scale (below), and scales in between - as well as

the supporting census data in excel format. We'll identify up to three of your listings on a map. All on CD and easy to download to clients, prospectus and your favorite internet marketing venue. Ask about our FREE geocoding service for our Buyer's Maps, as well as map packages and quantity discounts.
